Product specification

- unequipped termination unit for individual module in Modul design for mounting on TH35 rail to DIN EN 60715
- width of 1HP allows mounting up to 12 REG in standard electrical distribution panels
- when mounted as a device of protection class I, the equipotential bonding is realized directly over the top hat rail by means of an integrated equipotential spring. This has to be connected to the equipotential bonding of the building by means of a bonding terminal
- a cover protects the module against direct contact. If mounted in distributor panels with protective insulation, protection class II is guaranteed. In this case, it is necessary to remove the equipotential bonding spring.
- integrated dust protection cover (also colored)
- the following modules can be mounted: E-DAT modul, E-DAT modul coupler 180°, UAE modul, OpDAT modul LC-D and ST as well as Koax modules
- please note: not suitable for C6modul

Technical Data

General Data

Fields of application	harsh environment
Mechanical measurement according to MICE	M1
Ingress measurement according to MICE	I1
Climatic measurement according to MICE	C1
Electromagnetic measurement according to MICE	E3
Design	wall outlet
Color	light gray
Dimensions	
Dimension (L x W x H)	60 mm x 17.5 mm x 52.2 mm
Dimension (L x W x H)	2.362 in. x 0.689 in. x 2.055 in.
Horizontal pitch	1HP
Labeling option	label window with identification label
Marking option	by dust protection

Connections/interfaces

Number of ports interface 1	1
Number of ports interface 2	1
Number of equipped ports interface 1	0
Number of ports interface 2 equipped	0
Module plug-in direction	45° downwards

Mechanical data

Cut-out	MC module
---------	-----------

Materials and material properties

Material - Cover part(s)	PA66
Material - Lower housing	PA66
Material - Ground connection	CuSn4
Material - Dust protection	ABS
Material - Label window	ABS, transparent
RoHS	compliant

Technical Data

Environmental conditions

Particulate ingress IP2X

Liquid ingress/immersion IPX0

Approvals

UL listed (file no.)

DUXR.E178484

Standards/Regulations

Mechanical fastening of electrical devices in switchgears DIN EN 60715

Classifications

ETIM 7.0 EC001024

ETIM 8.0 EC001024

ETIM 9.0 EC001024

ETIM 10.0 EC001024

Packing details

Type of packaging 10 pc(s) / box

Application note

This product is a standard product of METZ CONNECT. METZ CONNECT is not aware of the specific intended use of the goods by the Customer or any customers of the Customer. The Customer guarantees that it has fully and sufficiently tested the use of the goods and any product modifications, product changes or product enhancements with regard to the specific intended use in accordance with the state of the art or in any other way.
