

REACH Statement

regarding Regulation EC/1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) dated 18 December 2006

METZ CONNECT is a manufacturer of articles and not of substances or preparations. METZ CONNECT therefore fulfils the role of a "downstream user" in accordance with Art. 3 Para. 13.

As a downstream user, METZ CONNECT is in direct contact with upstream suppliers and has not yet received any information on the current SVHC substances. Consequently, the following information is currently available to us:

- On 07.11.2024, the ECHA SVHC candidate list was extended by 1 additional substance. According to our suppliers, the newly added substances should not be present in our articles. If we become aware in individual cases that SVHC are used in articles, we will inform you.
- Further information on Rohs, Reach and data sheets can be found on our homepage under article number / downloads.
